## C.S.I.-Crime Scene Investigation Party

Do you love mysteries and crime investigations? Celebrate your birthday by investigating, “Who Dunit?” Together you and your friends will figure out who took a bite out of the candy? Hmm...Sticky fingers have been found all around the room, wet footprints lead out the door, what is that powdery substance on the counter next to the candy jar? Celebrate your birthday as you your guests become experts and carefully collect evidence in order to solve the mystery. You will even dust for fingerprints and also identify your friends from their fingerprint!
